N-MC-AFMG-R

MCP accessory, intelligent flush mount adaptor with screw inserts, red

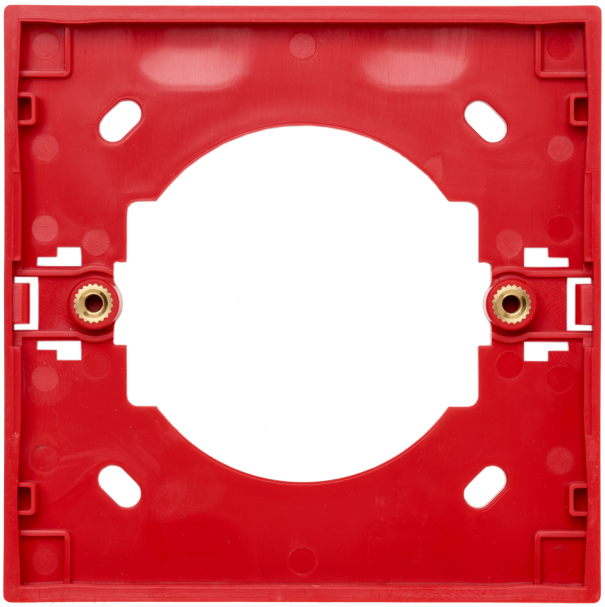

General

The innovative ActivSense range of enhanced intelligent addressable devices offers advanced features for reliability and peace of mind. Coupled with patented features for ease of installation and maintenance of both new and legacy fire detection systems, it's a perfect match for exceptional overall performance.

The N-MC-AFMG-R manual call point recess mount accessory allows for mounting the ActivSense manual call points on an embedded wall box. It is particularly useful when the wall box offers no usable mounting screws on which to mount the manual call point. It reduces the overall protruding height of the manual call point substantially thereby improving the aesthetics of the device when fitted to the wall.

Installation

Using the screw fixture locations provided in various locations on the adapter, the adapter can be easy mounted to non-standard MCP wall boxes. The screw inserts on the adapter in the normal screw location positions allows for the Kidde Commercial manual call point front to be securely affixed to the adapter, with the two parts locking together like a single unit, preserving the overall installation aesthetics.

Details

- Allows for easy manual call point recess mounting on wall boxes without standard mounting screw locations
- Various fitment options allow for installation on most high quality European wall boxes
- Screw inserts facilitate affixing the manual call point front after installation

N-MC-AFMG-R

MCP accessory, intelligent flush mount adaptor with screw inserts, red

Technical specifications

General

Compatibility	Excellence, NC & Ziton series MCPs
Product series (all languages)	Excellence, NC-Series

Physical

Physical dimensions	87.1 x 87.1 x 7.5 mm (L x W x D)
Colour	Rojo (RAL 3028)
Mounting type	Vægmontering
Material (body)	Noryl SE100 (autoextinguible)

Environmental

Vandal proof	No
Environment	Indendør

Regulatory

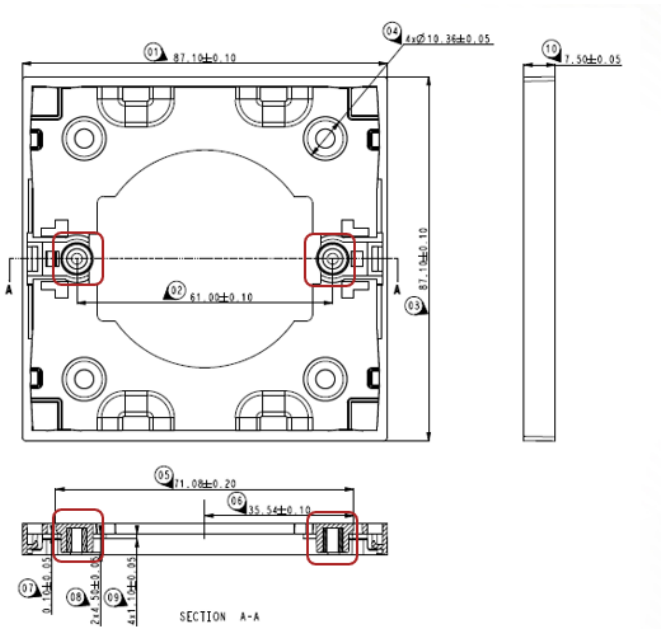

Compliancy	CE, REACH, RoHS 3, WEEE

Compatible products

Category	Reference	Description
Detection device	KE-DM3010R	Excellence Series intelligent addressable manual call point
Detection device	KE-DM3010RS06	Excellence Series intelligent addressable manual call point
Detection device	KE-DM3110R	Excellence Series intelligent addressable manual call point w/ isolator
Detection device	KE-DM3110RS06	Excellence Series intelligent addressable manual call point w/ isolator
Detection device	KE-DM3110RS18	Excellence Series intelligent addressable manual call point w/ isolator
Detection device	KE-DM3110RSCH	Excellence Series intelligent addressable manual call point w/ isolator
Detection device	KE-DM3110RSCL	Excellence Series intelligent addressable manual call point w/ isolator
Detection device	NC-MC-0-R	Intelligent conventional recess mount manual call point, 0 Ω (red)
Detection device	NC-MC-100-R	Intelligent conventional recess mount manual call point, 100 Ω (red)
Detection device	NC-MC-470-R	Intelligent conventional recess mount manual call point, 470 Ω (red)
Detection device	NC-MC-560-R	Intelligent conventional recess mount manual call point, 560 Ω (red)
Detection device	NC-MCS01-0-R	Intelligent conventional recess mount manual call point ONTRUIMINGS ALARM, 0 Ω (red)
Detection device	NC-MCS06-560-R	Intelligent conventional recess mount manual call point BRAND-LARM, 560 Ω (red)

Compatible products

Category	Reference	Description
Detection device	NC-MCS99-0-R	Intelligent conventional recess mount manual call point EVACUATION, 0 Ω (red)
