# W76570

## Fresnel based EN Grade 3 Dual Technology Detector with Active IR and Microwave Anti-Mask.

### Overview

DT15 AM incorporates a highly effective X-band microwave together with well-proven PIR technology. This pairing produces a superb dual technology sensor that greatly improves false alarm immunity and is compliant with EN50131-2-4:2008…
Grade 3, Class II. Featuring an advanced ‘through-the-lens’ active IR and microwave anti-mask system, the sensor detects any attempt to mask or inhibit detection of one or both alarm technologies. Anti-stealth precisely analyses microwave and PIR activity in
a room and significantly increases detection in extreme conditions. It also combats intrusion attempts using infrared screening materials, and a sneak mirror is used to improve catch performance below the sensor satisfying the EN50131-2-4: 2008…Grade 3, Class II standard. It has been designed to be simple to install with three LED’s within the sensor to facilitate efficient analysis of the technologies. Incorporating a unique varifocal lens design that allows the unit to be mounted between 2.1 and 2.5m without
adjustment.

### Szczegóły

- 15m/10m dual technology detector
- Through-the-lens active IR anti-masking
- EN Grade 3, class II
- Anti-Stealth technology™
- Selectable End Of Line resistances
- Adjustment-free optics
- NEW Shared housing – platform range
- Varifocal lens design
- Enhanced DT processing

# W76570

## Fresnel based EN Grade 3 Dual Technology Detector with Active IR and Microwave Anti-Mask.

## Specyfikacja techniczna

### General

| | |
|---|---|
| Technology | Dualna |
| Application type | Uchwyt ścienny |
| Anti masking | Yes |
| Pet immune | No |
| Camera | No |

### Detection

| | |
|---|---|
| Max. detection range | 15 m |
| Microwave frequency (nom.) | X-band |
| Alarm time | 3 sek |

### Wired/wireless

| | |
|---|---|
| Wired-wireless | Wired |

### Inputs/outputs

| | |
|---|---|
| Relay configuration | Wiele wartości EOL |
| Remote control lines | Dzień/Noc, Test krokowy |

### Electrical

| | |
|---|---|
| Power supply type | 12 VDC |

### Physical

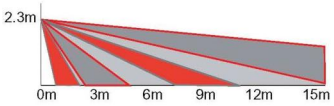

| | |
|---|---|
| Colour | White |

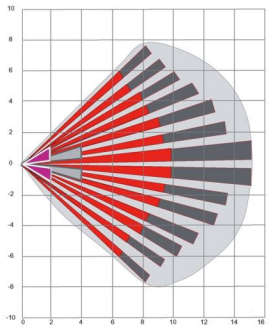

### Environmental

| | |
|---|---|
| Environment | Indoor |

### Regulatory

| | |
|---|---|
| EN50131 grade | Grade 3 |
